

I can sing a sidewall (a song for Pirelli)

Red are supersoft, yellows are soft
Silver hard, white mediums, inters blue
And also there are orange ones
They're used when it's wet
Now you'll never forget

Listen with your eyes
Colours to memorise
Bridgestone's green stripe is gone for good
They'll look bright on telly
On HD telly
Nice work Pirelli

Red and yellow and silver and white
Orange and blue compounds too
I can sing a sidewall
Pirelli sidewall
Sing a sidewall with you
